## RANK AND GPA

Cushing Academy does not rank its students. Below is the class of 2027 cumulative weighted Cushing Academy GPA distribution through June 2026. It does not include PGs or 1-year seniors.

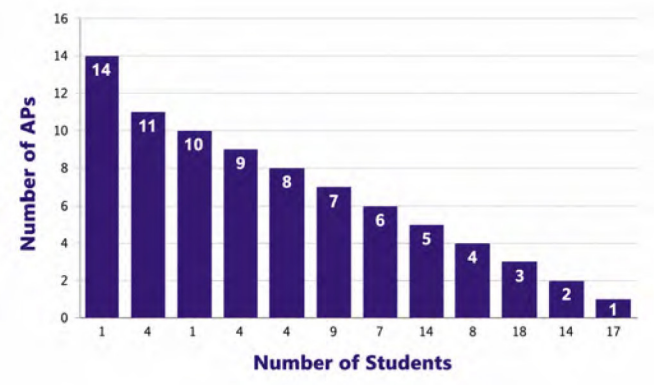

## STANDARDIZED TESTING

In the current climate of test-optional admissions policies, Cushing supports student choice in whether or not to submit scores as part of their application. As such, we do not provide testing information as part of our profile.

## AP TESTING INFORMATION

Though Cushing offers a wide range of AP options for students, it is relatively rare for 9th and 10th graders to engage in these courses. The following graph represents the distribution of numbers of AP courses taken by the Class of 2027 while at Cushing (includes registrations through September 2026). This data does not include PGs or 1-year seniors.

## GRADING SYSTEM

Cushing Academy uses a traditional 4.0 grading scale: A = 4.0, A- = 3.7, B+ = 3.3, B = 3.0, etc. AP and Honors courses are weighted as follows: AP, Multivariable Calculus, Linear Algebra, & Topics in Advanced Mathematics +0.5; Honors +0.3.

A weighted GPA is provided on the transcript. D- is the lowest passing grade.

Cushing Academy uses a two-semester academic calendar. Full-year courses earn 1.0 credit; semester-long courses earn 0.5 credits.

Students who earn a GPA of 3.7 or higher for the term are placed on the High Honor Roll for the semester.

Students earning a GPA between 3.3 and 3.69 are placed on the Honor Roll.

## ENGLISH AS A SECOND LANGUAGE

Twenty-nine percent of the Cushing Academy student body hails from outside the United States. 7% of the student body participates in the English as a Second Language program. Courses are offered at the intermediate and advanced levels.

## ACADEMIC SUPPORT

Cushing Academy's Academic Support program offers a highly personalized academic atmosphere, designed to meet the needs of students with mild learning differences. 10% of the student body participates in this program.

## SCHOOL REPORTS

Cushing Academy does not check evaluative boxes on school reports or recommendations. All Cushing Academy recommendations are confidential.

## DISCIPLINARY STATEMENT

At Cushing Academy, it is our expectation that students will respond truthfully to college and university application questions that require them to report any major disciplinary incidents. A member of the Cushing Academy College Counseling Office will follow up directly with those colleges. If such disciplinary measures occur after the submission of the initial application, Cushing will ask the student to report the information in a timely fashion and the school will send updated information.
